

No.	Swatch	Style #	Placement	Cutting Directions	Yardage
11		7442-03	Apples	Cut 6 Template B apples	1/8 yd.
12		7444-01	Apples	Cut 12 Template B apples	1/4 yd.
13		7439-01	Apples	Cut 12 Template B apples	1/4 yd.
14		7445-01	Apples	Cut 6 Template B apples	1/8 yd.
15		7440-01	Apples	Cut 6 Template B apples	1/8 yd.
16		7445-02	Apples	Cut 6 Template B apples	1/8 yd.
Backing				Pieced horizontally (3 lengths of 2 <sup>3</sup> / <sub>4</sub> yards each)	8 <sup>1</sup> / <sub>4</sub> yds.
Embroidery Floss				2 skeins each of light green and medium to dark brown	
Fusible Webbing				Based on 17" wide webbing.	6 yds.

### Fusible Web Appliqué

1. Layout the fusible webbing, paper side up. Place the template face down on the paper. Using a soft pencil, trace around the template. Leave 1/4" to 1/2" between each appliqué.
2. Cut out the appliqué leaving a small border of paper around each piece.
3. Follow the manufacturer's directions, iron the fusible side of the web to the wrong side of the appliqué fabric.
4. Cut out the appliqué on the pencil lines. Remove the paper, and using the manufacturer's directions press the appliqué in place, fusible side down.
5. Machine or hand sew a buttonhole stitch around the appliqué. Use your choice of matching, contrasting or invisible thread.

**Hint:** If doing multiples of the same appliqué, draw several of the templates on to the fusible webbing and cut out as a group and iron to the back of the fabric.

### Appliqué Directions

1. Center the 9" fabric 1 blocks over the appliqué pattern. Using a soft pencil or caulk pencil, lightly trace the design onto the fabric. Trace the design slightly smaller so the appliqué will cover the tracing lines. Make 48.
2. Follow the fusible appliqué directions and fuse appliqué in place. Use the following block colorations as a guide. There are 8 different blocks with a total of 6 blocks of each coloration.
