Euro Pillows

Cutting Instructions

Cut four strips 29¹/₂" wide. Cut two 29¹/₂" squares and set aside (Front of Euro). With remaining two strips cut two 15" x 29¹/₂" pieces and two 25" x 29¹/₂" pieces for back.

Lay two back pieces 15" x 29¹/₂" and 25" x 29¹/₂" out with flowers going in right direction and put 1" hem on the two inside edges.

Lay front of Euro out face up. Then place your two back pieces face down on top of them and pen all edges with an overlap.

Sew 1/2" around all edges. Clip corners, turn inside out and press well. Topstitch 2¹/₂" from all edges. Slip pillow in opening.
