

### Quilting the Borders:

To mark the quilting lines in the border, line up the ruler with the quilting lines in the center and extend them into the border. Stitch from the outer edge, pivoting at the edge of the previous stitching and the points of the triangles. When marked and stitched, this should form a grid of squares in the border.

### Binding:

Cut 8 strips from the black fabric, 2 1/2" x wof. Use your favorite method to sew on binding. Whip stitch to the back.
