

17. Create four strip sets of border strips by first sewing the strips cut for the border from Fabric #4 in step 2 to the strips cut in step 15. Next add the strips cut in step 16 to the strips cut in step 2. The strip set order is shown in **Diagram 17**. Center the motifs from the border print fabrics within your strip sets.

18. Then follow Jinny's instructions for bordering a square quilt.

Diagram 18

- Place a strip set across the middle of the quilt or block, centering a motif from the border print at the exact center of the piece as shown in **Diagram 18**. (Measuring across the middle as opposed to the edge is more accurate, and will keep the quilt from "ruffling" at the edges.)
