

4. Place one of the cut top/bottom inner border strips on one of the 2" x 78" border print strips, matching the fabric design. Cut one miter to match the miter on the cut strip. Place the newly cut strip along the length of the quilt

through the center, with the miter at the edge of the quilt (Figure 2). Bring the strip to the exact center of the quilt and cut it off 1/4" beyond the center.
