

FOR THE LIVING ROOM

Colorway 1

Colorway 2

(2) PILLOWS WITH CORDING (18" square)

Cut 1 piece 18 $\frac{1}{2}$ " square from leaf fabric (4811). (To give the pillow more body, interface this piece with woven interfacing.)

Cut 1 piece 6" x 18 $\frac{1}{2}$ " from woven fabric (4823).

Cut 1 piece 15 $\frac{1}{2}$ " x 18 $\frac{1}{2}$ " from woven fabric (4823) for backing.

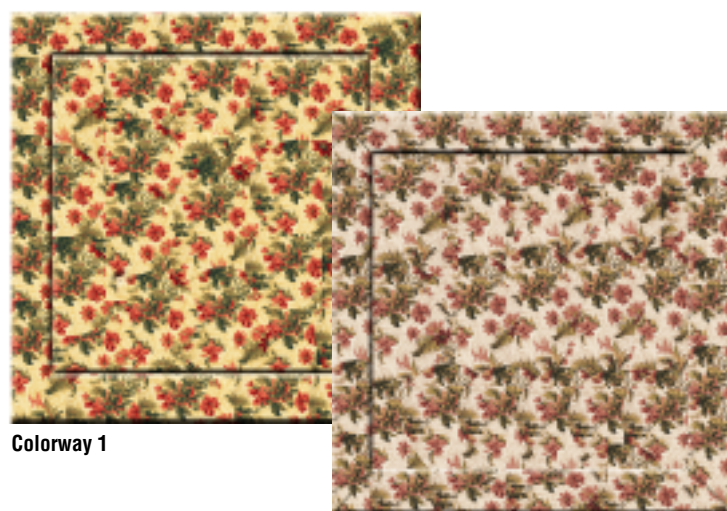

Turn back the 18 $\frac{1}{2}$ " side 1 inch, twice, to form a hem and top stitch in place on both the 6" and the 15 $\frac{1}{2}$ " piece. On the large piece place three to five buttonholes evenly spaced. Lap the hem with buttonholes over the smaller piece. Sew the two pieces together, sewing about 1 $\frac{1}{2}$ " from the top and bottom to hold them together.

On each of the corners of the top and bottom pieces, turn a $\frac{1}{2}$ inch pleat from the sides to the center, forming a box pleat on the corner. This will round the corners as the trim is sewn on.

Sew the trim on the top piece with a zipper or cording foot. Sew on that same line to back the quilt.

Sew on the buttons. Enjoy!!

Colorway 2

(2) FLANGED PILLOWS (18" square)

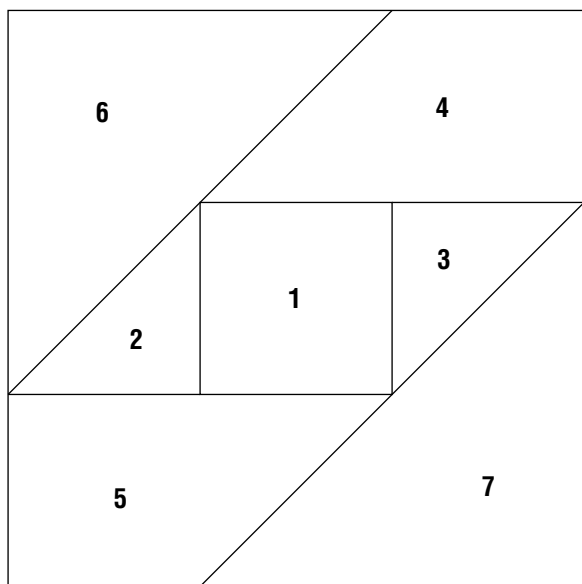

Cut 1 piece 18 $\frac{1}{2}$ " from floral fabric (4814). (To give the pillow more body, interface this piece with woven interfacing.)

Cut 1 piece 8" x 18 $\frac{1}{2}$ " and 1 piece 13 $\frac{1}{2}$ " x 18 $\frac{1}{2}$ " from floral fabric (4814). Turn the 8" and the 13 $\frac{1}{2}$ " edge back 1 inch, twice, to form a hem. Place buttonholes evenly spaced on the 13 $\frac{1}{2}$ " hem. Sew the two pieces together, overlapping the hem at the top and bottom. Sew on buttons.

Place the front and back together and sew around all four edges. Turn and press.

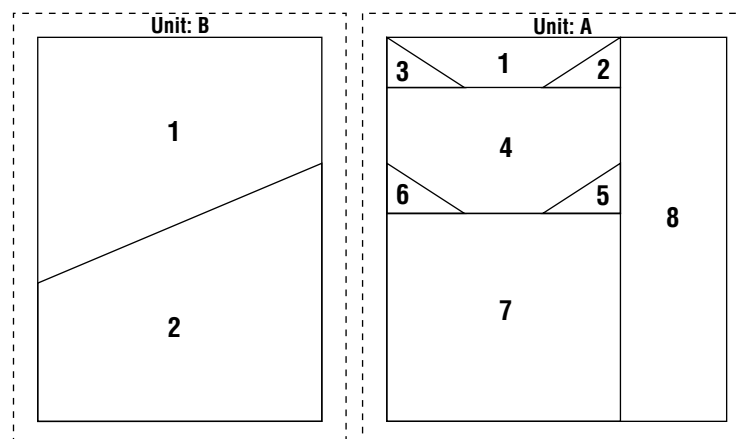

With a disappearing pencil, mark 1 $\frac{1}{2}$ " from the outside of the pillow. Top stitch with rayon thread in the same utility stitch, which is thicker and resembles couching. Any decorative stitch, however, can be used.
