Using the triple border panel unit, locate the center of one panel, and match it to the center of one of the sides of the quilt top. Pin in place, and along the entire length. Then sew in place, sewing from seam allowance to seam allowance. Press seam towards the **Fabric #7** strip. Using the other 3 triple border panel units, sew 1 to each of the remaining sides of the quilt. Miter the 4 corners, being careful to match the seams. Press seams open.
